Chairman's Message

May was a relatively quiet month with just the first trickle of interstate visitors arriving. It will be interesting to see the impact of the latest Covid-19 restrictions on Victorians who generally make up a substantial number of the winter migration.

The Check In Qld QR code app has been readily accepted by members and guests and has dramatically reduced the signing-in problems at Reception. I wish to thank Club Manager, Wendy and her staff for the innovative ways they have come up with to address members who do not have mobile phones or outdated phones to ensure compliance with the regulations.

For the information of members, one of the Covid-19 restrictions has been relaxed in relation to outdoor sporting activities. It is now NOT necessary to register for any sporting activity that is solely outdoors. In relation to bowls, members now do NOT have to sign in if they are only rolling up and do not enter the club. Any activity that involves entering the clubhouse must be done so by first registering through the Check In Qld app.

It is still prudent though to check with the club as to the availability of the greens which may be deemed unplayable by the greenkeeper or under maintenance. This can be done by phoning Bowls Manager, Timbo or registering via the club's online registration system which is on the verge of introduction.

On the subject of the online registration system, it is now in the final

stages of testing and should be introduced within days or weeks. This system is the result of many months of work by Timbo and key members of the bowls divisions. Once Timbo is happy with it, he has a detailed user guide that will be distributed to all members.

This system is critical to the future operation of bowls within the club. It will allow an automated bowls booking capability that will free Timbo from the tedious compilation of player lists each day and facilitate the handing over of the running of the daily social bowls events to Bowls Division volunteers. Timbo will then be free to undertake his key strategic role in investigating, promoting and developing games to be put to the Bowls Divisions for their consideration.

There were a number of changes to bowls operation brought about by the 2020 Covid-19 restrictions that morphed into ongoing changes. With substantial contribution from Timbo, the Board of Management has made some minor procedural changes that will involve the ongoing support of the substantial volunteer resource within the club. So for those members concerned at the prospect of an automated, centralist bowls operation, those concerns can now be dismissed.

The Greenside Bar popularity has surpassed all expectations with bookings coming in thick and fast. Some more improvements are on the way with heaters to be installed and a permanent security grill for the TV. As well, you will probably have noticed that the coating over the old concrete is being rectified by club member, Ray Whittaker. Ray warned the club that the old

concrete would potentially pose problems over time. However, such as is Ray's commitment to the club and his fastidious desire for perfection, he continues to rectify the ongoing problems at considerable cost and time to him. Probably against Ray's wishes, I believe members should be made aware of this and at any opportunity, please acknowledge in some form. For a start, a free 'plug', the workmanship of North Coast Seamless Floors is second to none and any members looking such work should contact Ray.

More next month.

Men's President

Hi Bowlers,
Congratulations to our Jack Attack winners, Paul Spencer, Noel Mellett & Mark Newland. Well done. The competition was disrupted by the weather but finally the final was played. Many thanks to Mark & Sally Prosser for their wonderful support & sponsorship.

Our 'A' singles final was played on the 23rd May. Wade Mutzelburg was victorious against Brett Williams. Great game to watch. Well done to you both.

The district mixed pairs final was played at Coolum. Two of our bowlers, Joan Shipstone and Greg Brown reached the final only to go down by a couple of shots to Gayle Sutton & Shane Cashill. Great effort.

Our first southerners are arriving so we will endeavour to place notices at the entrance of the club so they are familiar with our new procedures for entries. Also times for social games and practice sessions.

Pennants is fast approaching. Sheets for men to put their names down should be up in games room shortly.

This Month – filling card out correctly:

- * Your teams names on the left.
- * Opposition on the right.
- * Fill out running score on the back clearly.
- * When game is completed put win or loss on front with + or - margin.

Well that's it for this month. Happy bowling everyone.

Keith Wilson
Acting President

Ladies President

Hi Bowlers,
We are now in that period when we would expect to see some of our regular Southern visitors, but, with poor Victorians in lockdown again and the uncertainty of travelling too far from home, it is unlikely. We are still in Covid mode so you still need to text your request to Tim Phillips for a game. You can also make it easy for yourself to enter the club by checking in with the "Check in Qld" App.

The final of the pairs saw Ursula Ford and Pat Teale come out the winners over Jude Barrett and Ruth Perry. Well done ladies. Jude played with her left hand due to an injury to her right hand.

The final of the triples was also played. The winners were Gina Bullingham, Tilly Coyne and Annica McGill with Joan Shipstone, Jenny Beattie and Judy Wilson the runners up. Congratulations to all.

Thank you to Jenny Beattie and Fran Millard for managing the games room and also to the many ladies who help to serve afternoon tea.

There is still room for more teams for Fiesta on 21st of July. This is an annual event and always well supported, so get your teams in.

Stay safe and well and I will see you on the greens.

Dawn

Bowler of the Month **Fran Millard**

Fran is always available to do the games room and also jumps in when needed to help with afternoon tea.

Ecka's Tip

On the green communication must be enthusiastic, positive and clear. If communication is negative, not only will it impact on your player's performance, but it will give the opposition more motivation.
