NOTE:

. This year's major club championships, A Singles, Pairs and Fours will be played concurrently to facilitate players with other engagements or commitments, to play games before drawn dates. These events also have strict deadlines set by SCDBA for completion as they continue on to District and State playoffs.

. If first round byes are part of the draw, the first two rounds will be played on the one day ie 9am and 1pm starting times. Players can avoid this by playing first round games earlier, by mutual agreement and Championship Coordinator approval. All other rounds will be 1pm start. Players are reminded that club winners will be required to play two games in one day in District and State playoffs.

. The schedule is based on 2023 entries, therefore number of rounds may vary.

. Where possible, finals will be played concurrently, but obviously, double involvement and weather conditions may preclude this. Final dates are therefore designated 'To Be Confirmed' (TBC).

. Round 1 games that include byes will be played at 9am in E-W direction. Round 2 games and beyond will be played at 1pm in N-S direction. Round 1 games that do not include byes will be played at 1pm in N-S direction. Any morning games, played by mutual agreement, will be played E-W starting at 9am.

. The Championship Coordinator, Peter Bain, MUST be notified for all games played by mutual agreement to ensure greens availability.
